**3.** This practice will help your ward understand the expected presentation style and improve their readiness for the final examination.

### 4. Presentation and Neatness:

Encourage your ward to maintain neat handwriting, proper numbering, and well-organized answers. The use of margins, headings, and underlining of key points should be practiced regularly.

#### 5. Daily Study Routine:

Help your child create a fixed study timetable, ensuring regular revision of all subjects. Balanced study hours with sufficient breaks, rest, and healthy food are essential for better concentration.

### 6. Parental Support:

Motivate and encourage your ward regularly. A calm and supportive environment at home will help them perform better and feel confident during the examination.
