Subject: Intimation regarding indiscipline by students after School Dispersal

Dear Parents,

This is to bring to your attention an important matter concerning student safety and discipline outside the school premises. The school has received several reports from parents and community members regarding indiscipline behaviour by some students after school dispersal on the road.

It has been observed and reported that a few students are not maintaining discipline, running on the road, cross the road through jumping the divider of the road without observing the traffic, not following traffic rules, pushing or shouting on the road, and not maintaining proper school uniform condition after leaving the school campus. Such behaviour is the unsafe, irresponsible, and brings a negative impression of the school as well as family in the surrounding area.

On receiving this information, the School Discipline Committee members have started monitoring and observing the conduct of students on the road after dispersal. Any student found engaging in misconduct, unsafe behaviour, or disrespectful actions will face strict disciplinary action as per school rules.

You are earnestly requested to speak to your ward regarding after dispersal they reach home on time without wasting the time or moving on the road. They walk responsibly without pushing, shouting, or disturbing others. Maintain proper uniform until they reach home. Avoid gathering in groups on the road or behaving in a manner that may cause inconvenience or risk to others.

If your ward is aware of any student who is regularly involved in such undisciplined activities, you may kindly inform the school so that appropriate action can be taken for the safety of all students.

Through this letter I am inform you that in my observing on the CCTV in the morning & dispersal time some parents drive the scooter/bike wrong side toward the school road for picking and dropping their ward to school. Sir the students watching the parent what they doing. Please create an example in front of the child.

I seek your cooperation in that your child behave responsibly and uphold the dignity of the school and the parents at all times.

Thank you

DR. S. V. Sharma
