Circular for Class X Students – Guidance for Board Examinations

Date: 11-12-2025

Sub: Guidance to Class X Students for Board Examinations

All the students and parents are informed that a **workshop for Class X students** will be conducted by the sir Principal **tomorrow morning at 8:00 a.m.** in the **school auditorium**. Students are requested to **arrive on time** and attend the session.

The **Pre-Board Examination** will start immediately after the workshop at **9:00 a.m.** and will conclude at **12:00 noon**. Parents are requested to **arrange pick-up plans** according to the dispersal time of Class X students. Further, as you are aware, this year, the **Class X Science and Social Science question papers** have been structured into different sections to improve the quality of evaluation:

1. Science:

The question paper is divided into **three sections**:

- **Section A:** Biology
- **Section B:** Chemistry
- **Section C:** Physics

2. Social Science:

The question paper is divided into **four sections**:

- **Section A:** History
- **Section B:** Geography
- **Section C:** Political Science
- **Section D:** Economics
-

Students are advised to refer to the **Sample Question Papers** for both Science and Social Science, available on the **CBSE Academic Website**, for guidance.

Important Instructions for Students:

1. Divide your answer book into **three sections for Science** and **four sections for Social Science** before writing answers.
2. Write answers **only within the space allocated for each section**.
3. **Do not mix answers** from one section into another.
4. If answers are mixed, they **will not be evaluated**, and no marks will be awarded.
5. Such mistakes will **not be accepted** during verification or revaluation after results are declared.

Pre-Board Examination Practice:

Students are advised to **practice dividing their answer books** according to the sections in advance to avoid errors during Board examinations.

Additional Guidance:

As per CBSE guidelines, students should **divide their answer sheets according to the subject requirements** and the space allocated for each section. All instructions provided in the CBSE circular must be followed carefully to ensure clarity and avoid any mistakes during the examinations. Your cooperation in ensuring that students are **well-prepared and disciplined** during the Pre-Board and Board examinations is highly appreciated.
